Douglas Bean Australia

Douglas Bean c.1981

Douglas Bean began designing and manufacturing plastic ware in the early 1960s, opening a factory in Richmond, Victoria. Douglas Bean (Australia) has supplied durable, reliable, utilitarian catering and medical products to Health and Aged Care Sectors for more than fifty years. Sons Nick and Richard, and daughters Debbie and Lucinda are proud to continue the company's commitment to high quality products that are locally designed and manufactured.

Managing Directors Nick and Richard Bean

SUSTAINABILITY

All of our catering products are readily recyclable in Australia and New Zealand. Our products are designed to last for many years, and are primarily made from durable, stable polypropylene, and can be fully recycled at the end of their useful life.

Company founder Douglas Bean and family, c. 1981

DBA Company Directors Richard and Nick Bean

For more than fifty years **Douglas Bean Australia** has provided durable, elegant products to the Health Care and Aged Care sectors, all designed and manufactured in Australia. We are continually striving to reduce our environmental impact. Our Melbourne warehouse is now fully solar and battery powered. Our products are all reusable, often last for many years, and most are fully recyclable. Everything is designed, manufactured and distributed by
