## Australia

Douglas Bean c.1981

Douglas Bean began manufacturing plastic ware in the early 1960s, opening a factory in Richmond, Victoria. Douglas Bean (Australia) has supplied durable, reliable, utilitarian products to Health and Aged Care Sectors for more than fifty years. Sons Nick and Richard are proud to continue the company's commitment to high quality products that are locally designed and manufactured.

Company Directors Nick and Richard Bean

## SUSTAINABILITY

All of our medical products are readily recyclable in Australia and New Zealand, with the exception of the small silicone inserts used in some of our perforated trays. All of our products are designed to last for many years, being made from durable, stable polypropylene. All trays, bowls, soaking trays, pans, storage trays and kidney dishes can be fully recycled at the end of their life.

## Medical Bowls

Our heavy duty, reusable medical bowls have been a staple for many hospitals and healthcare providers for over 30 years. They are suitable for surgical and general ward use. Designed and made in Australia from highly durable synthetic materials, all bowls have separator lugs for perfect autoclave sterilization.
